certification program
that will positively
impact your life and the
lives of your clients.

*By the end of this personalized
program, you will:*

- Φ Feel confident enacting positive change for self and clients and increase your demand
- Φ Immediately be able to use your knowledge of environmental psychology and Feng Shui for instant, tangible change at the inner and outer levels
- Φ Bring in more wealth and increase your mental and physical health
- Φ Have opportunities for a new career, additional revenue streams, and other professional expansion
- Φ Create environments that are healing at every level for personal and professional use

Gold Level Program

**Conscious Intentional
Feng Shui**

CONSCIOUS INTENTIONAL
FENG SHUI
PROFESSIONAL
CERTIFICATION

Brochure

Perfect for:

FENG SHUI IS IN DEMAND TODAY

THE COURSE

Details

Professionals looking to expand their business and knowledge, and increase their value and demand.

This program is perfect for:

- Interior Designers
- Real Estate Agents
- Architects
- Home Staging Professionals
- Contractors/Builders
- Healers
- Those ready to begin an exciting career in the healing arts

Our surroundings can support our wellbeing or deplete our energy - feng shui's rich system empowers us to positively affect our mental and physical well-being, and is integral to enact healing on both individual and collective levels

According to surveys conducted by LendingTree and Better Homes and Gardens Real Estate, Feng shui is extremely important in American Real Estate

BY MERGING THE ART OF FENG SHUI WITH CONSCIOUS DESIGN AND MODERN PSYCHOLOGY, THE CIFS PROFESSIONAL CERTIFICATION WILL ENSURE GRADUATES CAN CRAFT HEALTHY ENVIRONMENTS USING MULTIPLE PERSPECTIVES.
